

# ORANGE COUNTY'S WORST AIR DISASTER MEMORIAL DEDICATION MCAS EL TORO JUNE 27, 2015

On June 25, 1965 a C-135 departed MCAS El Toro and hit Loma Ridge, a few miles to the north of runway 34. The purpose of my Eagle Scout project is to honor the 72 Marines and 12 Airmen that

perished that day in the worst airplane crash on record in Orange County. Jordan Fourcher's Eagle Project is a Memorial to be permanently displayed at the Heritage and Aviation Exhibition.
