

Western Museum of Flight

Veteran's Day

November 11th, Wednesday – 11 am

Men and Women of Valor

Honoring our Veterans of the skies who made the ultimate sacrifice!

G. Pat Macha, Aircraft Archaeologist, will present a photographic documentary of the proud achievements of America's aviation wartime veterans. He will also describe the ongoing efforts to bring some of the mysteries of aviation losses to closure.

G. Pat Macha

Visitors will have the opportunity to honor a Veteran, friend or family member by posing together for a photograph alongside one of several aircraft representing WWII (P-51 Mustang); Korean War (F-86 Sabre) and Vietnam War (F-5 Freedom Fighter). CLIX Portrait Studios will offer high quality Express digital prints suitable for personalized greeting cards.

The lecture is free to Museum Members.
Non-members: \$5
(includes access to museum exhibits)
